

Welcome to the 2020-2021 school year! Whether our students are on campus or learning remotely, the LAHS PTSA is committed to bringing together Parents, Teachers and Students to support programs that enhance the educational experience for each student at Los Altos High. The PTSA relies heavily on donations to support STEAM Week, Challenge Day, Writers Week, teacher training, the library, student club grants and many other programs. In addition, we provide each freshman student with a daily organizer and produce the student directory. Our parent volunteers also staff many of the activities that make LAHS a special and unique experience for students and staff.

There are several ways to support the PTSA:

1. **Become a member!** Individual and family memberships are available. Access to the online student directory is included with membership.

2. **Donate!** A \$100 donation per student is suggested. These funds directly support activities at LAHS, whether students are learning on campus or remotely.

3. **Volunteer!** There are many opportunities to volunteer schoolwide.
